

Vintage Moroccan Checkerboard Runner no. j3656

Description

Mid 20th century moroccan small runner with the ever recurring archetypical checkerboard design made in this case from industrial yarns. The traces of wear create a kind of double layer between the cool blue / green / petrol shades of the pile + the weft shots shining through in contrasting colors. Found in Fkih Ben Salah, the main town of the Beni Amir region in the plains south-west of the city of Boujad, Morocco
