

Mid 19th Century English Needlepoint no. 10681

Description

MId 19th Century English Needlepoint ~ English needlepoint rugs, renowned for their profuse ?oral motifs, reached an artistic zenith in 1700-1750 but were produced through the end of the nineteenth century. Needlepoint rugs were mainly used as table carpets, the earliest pieces, dating from 1550-1650, exhibited scrolls of ?owers with pictorial and heraldic motifs. Eighteenthcentury needlepoint rugs reveal the in?uence contemporary artistic movements of including baroque, chinoiserie, neoclassical, and rococo.
