

Vintage Inspired Turkish Tulu Multi Dimensional Box Design Rug no. j1812

Description

An awesome old wool one of a kind Turkish Tulu with a colorful repetitive box design in array of different colors. The blue, charcoal, grays might stand out the most. The rug was made in the late 20th century with vegetable dyed wool derived from early 20th century Turkish rugs. It has an old world feel to it and very pleasant to walk on.
